Terri,

Can you get me the TAS codes for all time coded to South Dayton Dump and Landfill from 7/29/2014 to 7/28/2016?

Hi Maddie, I'm preparing another oversight bill to the PRPs and I want to be able to break Ohio EPA's costs down to the remedial AOC, removal AOC, and removal UAO. You've been able to provide a spreadsheet with time tracking output in the past and I'm wondering if I could get an update. The time period of interest is 7/29/2014 through 7/28/2016.
